Condo / Townhouse on 0.00 Acres

Ormsby Place, Edmonton, AB

In the very convenient and desirable neighborhood of Ormsby Place, this well-maintained and partially upgraded townhouse awaits you. This home is in move-in condition. There have been several updates over the years. These include laminate flooring throughout the upper level, attractive wood louver doors in the primary bedroom, updated kitchen cupboards, some newer light fixtures, and a 3-piece bathroom added in the basement. Included in the sale is an extremely functional wardrobe cabinet in the one of the secondary bedrooms. All the appliances are working well and spotlessly clean. The fridge is quite new. This condo project is very well managed and has had many renovations and improvements over recent years. This year's updates (near complete) include new concrete sidewalks and all new fencing. With low condo fees and a healthy condo association, this is an affordable home, in a great location, and a must see.
